

## MCA Expo - Abstracts 2018

### MCA expo 2018

Thank you for taking the time to submit your abstract.

With a focus on leading quality improvement, MCA Expo '18 will be two inspiring days of sharing, learning & networking

- Please answer all the questions below - your answers will be saved so if you close the browser without submitting your abstract, you will be able to pick up where you left off by clicking the abstract submission link from the same computer. Any questions please contact [jessica.huntington@sth.nhs.uk](mailto:jessica.huntington@sth.nhs.uk).
- Please note that if you are accepted for a presentation this entitles the main speaker to attend the 2 day event for free.
- We are looking for presentations from those actively involved with quality improvement at the front line of care, as well as interactive sessions which deepen participants' knowledge of Microsystem improvement, patient engagement and involvement, team coaching and other aspects of quality improvement.
